Commissioner for Patents

P.O. Box 1450

Dear Commissioner:

As required under the Notice of Allowability received in the subject application, and pursuant to 37 CFR 1.312, MPEP 608.02(h) and 714.16, applicant hereby requests that the attached drawings be entered to replace the drawings currently pending in the application. It is hereby certified that the substitute drawings contain no new matter, and are submitted to replace the informal drawings originally submitted with the application.

Remarks:

The drawings initially submitted with the application on November 22, 2003 were hand-drawn sketches. The Notice of Allowability issued in this case states that corrected drawings must be submitted. In particular, the Examiner noted that reference number "48" is missing from the drawings. The drawings transmitted herewith correct this error. The applicant believes that

1 the substitute drawings filed herewith, while containing no new matter, more closely comply
2 with the requirements of 37 CFR 1.84 and therefore requests that the hand-drawn sketches
3 originally submitted with the application be replaced by the drawings submitted herewith.

4 If the Examiner believes a telephone conference would expedite prosecution of this
application, please telephone the undersigned at (661)395-1000.

5 Respectfully submitted,
